GENERAL NEWS OF HAWAII

Trains to Puna by January First--Accident at Kihei--Dangerous Blasting.

HILO, Oct. 27.-The various bodies of the Masonic Fraternity in Hilo, says the Hilo Tribune, are now proceeding to carry out a design which local Masons have, long had in mind, being nothing less than the erection of a fine building which shall serve as a home for the various lodges now established

Kilauea Lodge, No. 330, is the owner anuenue street, lying between the residence of W. H. Little and the D. H. Hitchcock homestead. The Hilo Masonic Hall Association is now being formed for the purpose of erecting on this of Furniture at the store any tract a two-story block to cost not less than \$20,000, the stock for which is now, to a large extent, subscribed. The secand story will be devoted to lodge rooms. On the ground floor will probably be one or two stores, and a big hall, calculated to accommodate 500 to 600 people.

That a project of this sort can be put through speaks well, not only for the active life of Masonry here, but also for the general progress of the town as a

HILO RAILWAY SERVICE.

It is said that within a year the Hilo Railway will be running trains as far nauka as twenty-two miles, says the Hito Herald. By January first the trains will be running to Puna plantation, and when that becomes a fact the outlying districts will be brought much nearer to Hilo merchants than they now are. That an enterprise of such importance to the community as is the Puna Sugar Co., should have only a weeqly mail, is preposterous and unlike the usual order of mail service under the United States. With the running of regular daily trains to Puna a section of country, admirably adapted to the wants of tourists, will not only be opened up but will be made accessible. The citizen or company of citizens take the matter in hand a resort could be established that would draw not only tourist but local trade. Hilo is badly in need of a place at which to enjoy a Sunday rest and Puna has the location. The volcano will answer for those who need bracing air but the expense and inconvenience in getting there debars it from being a popular resort. When trains go there daily the local travel in that direction will increase but until then a hotel on the line of a railway will receive the patronage. When the Kohala-Hilo road is finished to Waimea a suitable hotel for tourist and cal patronage will be built. Such a hotel would be popular with Honolulu people on account of the ease with which it may be reached as the passenger steamer between Honolulu and the Kohala terminus of the railway will make quick time.

WHAT HILO WOULD HAVE. If Hilo had county government it is probable, says the Hilo Tribune, that: There would be sidewalks construct-

That Front street would have an established building line.

That the public would not have to send documents to Honolulu to be recorded.

That the street in front of the postoffice would be free of stones. That the roads ten miles or more from Hilo would be kept in as good condition as they are nearer town. That when repairs were needed on

Government property they could be That the schools would be practically under the control of a board of direc-

tors elected by the people. That the bulk of the taxes would be spent in the county in which the

money is collected. That every department of the Government would be run to better satis-

That a hundred benefits, not here enumerated would follow the change in

conditions. That taxes would be very little higher than they are at present.

FOR THE EMPLOYES.

Superintendent Lambert, of the Hilo R. R. Co., has decided to erect a modern dwelling at Waiakea for the use of the employes of the railroad company. It will contain a number of lodging and a large room for use as a lounging room. A. Richley has been given the contract for its construction.

DANGEROUS BLASTING.

A rock weighing ten pounds was blown through the roof of Dr. P. Rice's stable Monday afternoon. It came from the site of the building of the Hilo Electric Power and Refrigerator Co., on the Puueo side of Pitman street bridge, and was thrown out by a heavy blast. HAWAII BRIEFS.

Norman Halstead and wife were passengers by the Kinau.

B. F. Schoen and wife returned Wednesday after a short visit to Honolulu. J. H. McDonough has tendered his resignation as manager of the Hilo and ague. The result wil lastonish you. Hotel. J. F. Brown, commissioner of lands, PRIVATE REVENUE STAMP covers

accompanied by his wife, will spend a few days in Hilo. C. G. Kinney and wife, who have been in Honolulu during the past ten days, returned Wednesday.

E. H. Scovell, manager of Papaikou store, returned Wednesday from a business trip to Honolulu. A Japanese resident of Hilo, slightly

demented, wandered away from town on the 5th inst and has not since been found. He was last seen in Kaumana going mauka.

Gardner Wilder will erect a handsome

residence on his Puueo lots at once. Mrs. Wilder expects to be in Hilo about New Year. L. M. Whitehouse, contractor for grading two miles of the Hilo railway,

says the trains should be running over it by January 1st. Jack Neill, who recently retired from Lodges To Build his position as head luna for the Puna Sugar Co., stated in Hilo that cane planted on the company's lands three

months ago is now higher than a horse's head. Before leaving the company's service Mr. Neill was handsomely remembered by his friends. J. A. Scott and C. C. Kennedy, who went to Honolulu on the Zealandia to

attend a planters' meeting, returned on

the Kinau. The beauty of the Inter-Island mail service is shown by the fact that foreign mail received in the regular course of events by the Kinau was of the same San Francisco date as papers recelved by the Zealandia directly from the Coast ten days before. It is this kind of thing that helps build up business in a community-nit.

The Honolulu papers devote less space to the destructive flood which recently befell that city than they do to an unusually heavy dew in "The Rainy City." Too bad it came along with the Shriners: Honolulu is such a nasty village when it rains,

Mr. J. W. Mason, manager of the Hilo Mercantile Co., who returned from of the tract of land on upper Wai- the Coast by last week's Kinau, finds himself much improved in health by his

Miss Broderick will return to Hilo about December 15. Hon. C. M. LeBlond is a returning

passenger on the Falls of Clyde. Mr. and Mrs. Paul Bartels are domiiled in their charming residence in

Hawaiian Sugar Planters Express Their Esteem for Him.

Dr. Walter Maxwell left by the Miowera for Queensland. He goes to upon his duties there in conwith scientific investigation. industry of that colony is to under his direction. He was the re at of the following letter schaefer, president of the from F Hawaitan inters' Association, just before he left, which plainly expresses the cordial sentiments of the Association toward Dr. Maxwell:

Honolulu, October 27, 1900, My Dear Sir: I beg leave on the part of the Hawaiian Sugar Planters' Association to wish you God speed on your way train run to the warm springs will be and every success in your new and exa short one and if some enterprising tended sphere of usefulness to the agricultural interests of Queensland, where you are to fill a responsible and influential position of trust. I desire to avail of this opportunity to say that the Association sees you depart

with slacere regret and gratefully remembers the valuable services rendered by you to the Hawalian planters during the years you so faithfully and successfully filled the position of Director of its Experimental Station and Laboratories. I hope and trust that it may be our good fortune to greet you again among us whenever you recross the Pacific cast. ward bound, and I assure you that the sincere good wishes of your friends in these Islands are ever with you and With my personal regards, I remain, my

dear sir, F. A. SCHARFER, President of the Hawaiian Sugar Planters

Association. r. Walter Maxwell, Director of the Ex perimental Station and Laboratories of the Hawaiian Sugar Planters' Association, Honolulu.

Good Music at St Andrews.

The festival of St. Simon and St. Jude was observed yesterday at St. Andrew's Cathedral. At the quarter before 10 o'clock service of the Second Congregation the excellent choir sang special music that attracted quite a large congregation. In the Te Deum by Millard and the anthem the soprano solos were sustained by Mrs. Chas. B. Cooper with fine effect. Mrs. Walter Hoffman, Mrs. F. W. Glade and Messrs. Arthur Wall, Ernest Ross and George F. Davies also added much to the musical part of the service by their excelmade without waiting to hear from Ho- lent singing. The Rev. Hamilton Lee read the service and also preached the
